# FISH FESTIVAL 2023

*Fish for Health and Prosperity*

COLLEGE OF FISHERIES  
MANGALORE

27 - 28, JANUARY 2023

In collaboration with  
**National Fisheries Development Board**  
Hyderabad

## PREAMBLE

"Fish Festival 2023" is a platform to showcase the different innovations and technologies in the fisheries sector. Aquaculture, ornamental fish production, processing, value addition and start-up opportunities in these focal areas will provide equal opportunities to all stakeholders in the sector.

## ABOUT THE COLLEGE

College of Fisheries, Mangalore is a premier fisheries education and research institute established in 1969 by University of Agricultural Sciences, Bangalore as the first fisheries college in India. The college is now a part of Karnataka Veterinary, Animal and Fisheries Sciences University, Bidar.

## HIGHLIGHTS OF FF23
